**SACRED HEART OF JESUS SCHOOL
HOME AND SCHOOL ASSOCIATION (H.S.A.)
115 WASHINGTON STREET
BATH, PA 18014**

September 13, 2017

On behalf of the Sacred Heart of Jesus Parish Home and School Association (HSA), I would like to welcome you to an exciting, new school year!

It is the goal of the HSA to bridge the gap between the school environment and home life. We aim to provide an opportunity for the families of Sacred Heart School's community to get together outside of the rigorous educational schedule of the school day and develop lasting and meaningful relationships. We have many fun and exciting activities planned this year.

Membership in the HSA organization is just \$5, so please consider enrolling. Our goal again this year is to have all Sacred Heart School families as members. Membership offers opportunities to interact with other Sacred Heart families, which the HSA provides throughout the school year. A representative from the HSA will be in attendance at all scheduled events, welcoming both new and returning members.

We invite all Sacred Heart School families to participate in our Association and the activities that we sponsor throughout the school year. Please consider attending any/all of our 4 meetings to be held this year. The meetings provide the opportunity to meet other Sacred Heart School parents, stay up to date on HSA activities, and most importantly discuss ideas and review suggestions. Your opinions and ideas are extremely important to us!

In our continued support of Sacred Heart's outstanding educational mission, we're proud to announce HSA's continued commitment to contribute towards the salary of one of our special area teachers for the K-8th grade level. In order to accomplish this, we rely heavily on participation, donations and volunteerism from our parents. There is plenty for all of us to do together. We promise a rewarding experience!

Thank you. *Looking forward to seeing you!*

Matthew Dormarunno, President
OPEN, Secretary

Heather Hamadyk, Vice President
Ann Richards, Treasurer
